

Life Presents - Better Resumes

A great resume is the first step in being seen and considered. Alone, it won't get you hired, but can open doors. A badly written resume ends up in the trash.

Discover the Benefits of Working With a Resume Writer

- Stand out by clearly communicating your value
- Position yourself competitively with the best format, fonts and key words
- Increase your appeal to recruiters and hiring managers

Why Work with a Resume Writer

- Reduce the stress and anxiety of feeling clueless and in a bubble
- Uncover your personal brand by emphasizing your unique value proposition
- Clearly identify and articulate your most marketable achievements
- Create a foundation of self-confidence by seeing your accomplishments crystallized

Resume Writing is a Collaborative Partnership

- Use a proven, successful writing style and strategy to get noticed
- Participate in a customized process, highlighting your unique skills, talents and accomplishments

Resume Fees (Includes Personal Branding)

- Fees start at **\$350** for recent graduates and **\$750** for executives
- Rates are determined by a host of variables including complexity of the project, number of positions held, and additional criteria

All documents are grounded in a thorough knowledge of industry best practices and solid career marketing strategies.

To schedule your complimentary 10-minute resume consultation, please email your resume along with your request and the date your new /revised resume is needed. We will respond with suggested dates / times to talk.

"Wilma is the best. Her resume got me noticed out of 1600 applicants. I had 2 interviews, dazzled them, and got the job!" K.C.

"Wilma Nachsin is a brilliant resource in this area." - D.S.

"I can highly recommend Wilma Nachsin. She helped me re-do my resume about a year ago and not only did it turn out really well, it was a lot of fun!" - S.S.
